OUTLOOK (GUIDANCE) 2025

Glunz & Jensen has concluded on the outlook for the fiscal year 2025. Glunz & Jensen announces the following outlook for full year 2025:

- The revenue for 2025 is expected at approximately DKK 132 million (outlook 2024: DKK 135 million).
- EBITDA* for 2025 is expected at approximately DKK 15 million (outlook 2024: DKK 12).
- Profit* before tax for 2025 is expected at approximately DKK 8 million (outlook 2024: DKK 5 million).

*The outlook for the EBITDA and the Profit before tax is before potential adjustments on fair value on the investment property.

We expect a 2025 revenue in line with the expected revenue in 2024. The ongoing optimization of our operations and the improved general organizational setup will lead to an increase in profitability which becomes evident in the positive changes in EBITDA and profit before tax – compared to 2024.

Glunz & Jensen

Glunz & Jensen is a supplier of innovative, high-quality plate making equipment and solutions for the global prepress industry. In addition to developing and producing processing equipment for Offset and Flexo printing technologies, we also offer premier customer support as well as a full range of spare parts, wear parts and consumable products. Our diverse product portfolio includes inkjet imaging systems, exposure units, wash out units (processors), dryers, light finishers, full-automatic platemaking (inline) systems, mounting tables, plate stackers & turners.

Our R&D, supply chain, production, testing, and training facilities are in Presov, Slovakia, and our products are based on application know-how and own developed technology. In addition, we have an R&D and test facility in Odense, Denmark, working on unique applications and technology for our single largest customer.

Glunz & Jensen has been operating in prepress for more than 50 years. We have long-standing relations with major industry leading companies such as Asahi, DuPont, ECO3, Fuji Film, Heidelberg, KBA, Kodak, MacDermid, Miracron, TechNova and more. We market our products and solutions globally through a well-established, comprehensive, and worldwide network of distributors and dealers. We have approx. 100 employees in our facilities in Denmark, Slovakia and the USA.

We are on the path to be the most innovative high-end equipment and services provider, delivering outstanding value for money in our product areas, and thereby growing our market share with our global partners. We are also set to strengthen our earnings through improved trade profitability and optimized manufacturing including within procurement and supply chain.
