**Press Release**

## **Glunz & Jensen participates InfoFlex 2022**

In cooperation with our North American partner, Kaspar Graphics Solutions, Glunz & Jensen will be present at InfoFlex 2022, scheduled at the Fort Worth Convention Center in Fort Worth, TX - USA.

Representing G&J will be Martin Overgaard (CEO) and Massimiliano Merlo (CCO) who will offer a preview of the new products to be launched during 2022. We hope to see many of you there and look forward to lots of fruitful dialogues.

### **About Glunz & Jensen**

Glunz & Jensen is the world's leading supplier of innovative, high-quality plate making solutions for the global prepress industry. In addition to developing and producing processors for the offset and flexo printing industry, we also offer after sales service. Our product portfolio includes exposure units, dryers, light finishers, mounting tables, plate stackers and software for monitoring and controlling complete prepress processes.

Glunz & Jensen has been a recognized leader in prepress for more than 45 years. We have long-standing relations with major customers such as Agfa, Asahi, DuPont, Flint, Fujifilm, Heidelberg, Kodak and MacDermid, the world's largest suppliers of printing solutions.

Glunz & Jensen market our products through a comprehensive and worldwide network of distributors and dealers, and has approximately 100 employees in our facilities in Denmark, Slovakia, and the USA.
